Wiley Integrated Learning
The simple solution to enabling student success

Educators can improve engagement and enable student success by providing an outstanding learning experience for every student – with Wiley Integrated Learning.

Wiley offers quality digital resources designed to improve student engagement, seamlessly integrated with the university system.

By providing equitable access to the Wiley E-Text for every student, educators will create the best possible conditions for improved student engagement and outcomes – delivering benefits to students, instructors and the institution.

Equity
Ensure equitable access
Ensure every student has the learning resources they need to succeed in the unit.

Eliminate equity concerns, enabling instructors to confidently teach from the prescribed resource.

Engagement
Maximise engagement
Customise textbook content to keep only what is relevant and add your own resources to design a truly unique and optimal learning path for your course.

Outcomes
Enable success
85% of students say there would be a ‘huge positive impact’ on their learning outcomes if the cost of learning resources was covered by the institution**.
