MENTAL HEALTH CARE
3RD EDITION

Catherine Hungerford, Gillian Murphy, Donna Hodgson, Gideon de Jong, Irene Ngune, Richard Bostwick, Richard Clancy

Mental Health Care: An Introduction for Health Professionals in Australia, 3rd Edition covers the challenges that nursing professionals will face in their everyday roles. This text discusses, in a jargon-free way, how to effectively help those who are struggling with mental health issues in a care setting.

Videos with real clinicians and top researchers help bring relevancy to each chapter through engaging storytelling. Interactive capstone activities put the students in a simulated ‘real world’ scenario where they must apply their learning. There is also local, curated content that show students the importance behind topics covered.

THE WILEY ADVANTAGE

• Branched-chain interactive scenarios help students apply the topics they have learned by asking them what they would do in chapter-related situations
• Scores of local curated resources including articles, videos and newsfeeds bring relevancy to today’s savvy students
• Hours of bespoke video interviews with practising nurses and top-end researchers on their experiences as nurses in the field
