### Wiley E-Text

Powered by VitalSource®

**Financial Planning, 2nd Update Edition** is available in Wiley E-Text: Powered by VitalSource, the most affordable and accessible way for your students to access their text.

Wiley E-Texts allow students to search, highlight and take notes. Students can access the text online or offline on up to four devices. Plus, Wiley E-Texts come with lifetime offline access – so once students buy the E-Text it's theirs to keep.

**Available at great value in an institution-pays model\*.**

### Wiley Integrated Learning

The simple solution to  
enabling student  
success

Educators can improve engagement and enable student success by providing *an outstanding learning experience for every student* – with Wiley Integrated Learning.

**Wiley offers quality digital resources designed to improve student engagement, seamlessly integrated with the university system.**

By providing equitable access to the Wiley E-Text for every student, educators will create the best possible conditions for improved student engagement and outcomes – delivering benefits to students, instructors and the institution.

#### Equity

##### Ensure equitable access

Ensure every student has the learning resources they need to succeed in the unit.

Eliminate equity concerns, enabling instructors to confidently teach from the prescribed resource.

#### Engagement

##### Maximise engagement

Customise textbook content to keep only what is relevant and add your own resources to design a truly unique and optimal learning path for your course.

#### Outcomes

##### Enable success

85% of students say there would be a 'huge positive impact' on their learning outcomes if the cost of learning resources was covered by the institution\*\*.

## FINANCIAL PLANNING 2ND UPDATE EDITION

Warren McKeown, Mike Kerry, Marc Olynyk

**Financial Planning, 2nd Update Edition** has been revised to reflect changes in economic circumstances, legislation and professional regulations, as well as developments in teaching and learning design.

As an increasing number of Australians look to financial planners for information and guidance on investment opportunities and both short-term and long-term financial planning goals, this update edition reflects the financial planning industry's need to ensure that its members are accredited and comply with the industry-recognised professional and ethical skills.

**Financial Planning, 2nd Update Edition** has been designed to equip students of higher education institutions with the knowledge, concepts and application required to successfully enter the exciting profession of financial planning.
